## DECISION AND CERTIFICATION OF REPRESENTATIVE

The National Labor Relations Board has considered objections to an election held between March 9 and March 23, 2012, and the hearing officer's report recommending disposition of them. The election was conducted pursuant to a Decision and Direction of Election. The tally of ballots shows 186 for the Petitioner, 361 for the Intervenor, and 7 against participating labor organizations, with 160 challenged ballots, an insufficient number to affect the results.

The Board has reviewed the record in light of the exceptions and briefs, has adopted the hearing officer's findings<sup>1</sup> and recommendations, and finds that a certification of representative should be issued.

## CERTIFICATION OF REPRESENTATIVE

IT IS CERTIFIED that a majority of the valid ballots have been cast for New York

City District Council of Carpenters, and that it is the exclusive collective-bargaining
representative of the employees in the following appropriate unit:

All dockbuilders, pier carpenters, shorers, house movers, pile drivers, divers, tenders, foundation workers, drillers and marine constructors employed by the Employer members of the General Contractors Association of New York, but excluding all other crafts, guards, and supervisors as defined in the Act.

Dated, Washington, D.C., April 19, 2013.

<sup>1</sup> The Petitioner has excepted to some of the hearing officer's credibility findings. The Board's established policy is not to overrule a hearing officer's credibility resolutions unless the clear preponderance of all the relevant evidence convinces us that they are incorrect. *Stretch-Tex Co.*, 118 NLRB 1359, 1361 (1957). We have carefully examined the record and find no basis for reversing the findings.
